EVEREST INSTITUTE NEW SEMESTER PASS

Effective: Monday, January 11, 2010

Regional Transit Service, in conjunction with Everest Institute (formerly Rochester Business Institute), has developed a new “Everest Institute Semester Pass”.

This pass is good for unlimited riding in the RTS system between the dates printed on the back of the pass. This is a swipe pass that has the same features as our regular unlimited ride Freedom Passes.

The front of the pass is white with black lettering. Displayed is Everest Institute’s name, it shows a picture of the student issued the pass, the name of the student, and the major of the student.

On the back of the pass, the words RGRTA and Everest Institute are written along with the dates that the pass is valid. The current semester runs from January 11, 2010 through April 11, 2010.

Below is a sample of the pass.
